

ECOSTEP™ CONTAINER

Available in four sizes; 30, 45, 70 and 90 litre capacities, the EcoStep™ containers are ideal for hands-free refuse disposal, assisting hygienic waste handling in a variety of workplaces.

Made from tough, puncture resistant plastic, these containers won't rust, dent, chip or peel. The rounded corners and smooth contours to enable easy cleansing and disinfecting.

Each container has a tight-fitting, overlapping lid to contain odours and a robust heavy duty pedal. The 90 litre container is fitted with two back wheels and stabiliser at the front for ease of movement.

Bodies are available in grey and lids are available in a range of bright colours including blue, yellow, red, green, white and grey making them ideal for colour-coded source separation.

They can also be customised with personal logos or graphics to suit individual requirements.

Product	Capacity (litres)	W x D x H (mm)
EcoStep™	30	410 x 398 x 435
EcoStep™	45	410 x 398 x 600
EcoStep™	70	495 x 412 x 673
EcoStep™	90	500 x 412 x 820
